MISSION PACK MEDICAL

PRODUCT CODE: MPMD

Removable Panel

VERSATILITY, ADAPTABILITY, DURABILITY & QUALITY

S.O.TECH's extreme comfort oversized three day Mission Pack Medical is perfect for holding the medic's gear in modules attached to MOLLE in the main compartment. PALS webbing line the inside of the pack for attachments and two large mesh pouches fill the front inside of pack. The medic can hold field gear in the expandable, drop-down lower pouch and external compartments. When not performing medic duties, the pack can be customized for other missions. Pack includes a courier bag for those "Grab and Go" emergencies. Built by an operator for the operator.

THE MISSION PACK MEDICAL CONTAINS:

- 1000 Denier DuPont® Cordura® Plus fabric, double layered
- 138 weight bonded nylon parachute harness thread
- American name brand plastic & metal fasteners (Duraflex, ITW Nexus, ACW, etc.)
- Closed cell foam
- Edges bound by double stitched nylon Type 3 seam tape
- Heavy weight woven elastic
- Strength rated nylon webbing & tapes
- Stress points anchored by double stitching, bar tacks, & box x's
- Velcro® & Rip & Grip™ mil spec hook & loop fastener
